

# GANESH GHADAGE

FRONTEND DEVELOPER | REACT EXPERT

+91-7620936007   ganeshvg22@gmail.com   https://www.linkedin.com/in/ganesh-ghadage/   https://github.com/Ganesh-Ghadage  
Pune, India

## SUMMARY

Result-driven and detail-oriented **Frontend Developer** with hands-on experience in building dynamic and responsive web applications using **React.js**, **TypeScript**, and modern web development tools. Skilled in crafting user-friendly interfaces, optimizing performance, and collaborating with cross-functional teams to deliver scalable solutions. Adept at integrating advanced features like chatbots and ensuring accessibility compliance. Strong problem-solving skills with a focus on leveraging emerging technologies to enhance user experiences. Experienced in Agile environments, dedicated to continuous learning, and passionate about contributing to impactful web development projects.

## EXPERIENCE

Sr. System Engineer

Infosys Ltd.

07/2022 - Present   Pune

- Collaborated with a cross-functional team of 5 frontend developers and other backend, database, and support teams to build a responsive and scalable insurance website.
- Designed and developed key features of the website using **React.js**, **TypeScript**, and modern libraries such as **Redux Toolkit**, **Axios**, and **Tailwind CSS** to enhance user experience and functionality.
- Played a leading role in developing and integrating a **chatbot feature** to assist users with real-time insurance-related queries, leveraging **third-party AI tools** and frameworks to improve response accuracy and customer satisfaction.
- Improved website performance by **30%** by optimizing reusable components, streamlining state management, and implementing lazy loading for heavy assets.
- Participated in Agile ceremonies, including daily stand-ups, sprint planning, and retrospectives, contributing to a **15% increase in project delivery efficiency**.
- Maintained code quality and collaboration by implementing **Git workflows** and conducting peer code reviews.
- Key Impact Areas :**
- User-Centric Design:** Delivered an intuitive chatbot feature, reducing user inquiry resolution time by **20%**.
- Collaboration:** Actively supported backend and database teams to streamline API integration, reducing development bottlenecks.
- Innovation:** Proposed and implemented component-level optimizations that decreased development turnaround time by **25%**.

## PROJECTS

LinkedIn AI Reply Chrome Extension

https://github.com/Ganesh-Ghadage/LinkedIn-AI-Reply-Chrome-Extension

Developed a Chrome extension using Google Gemini AI to generate professional LinkedIn replies

- Developed a Chrome extension leveraging Google Gemini AI** to generate professional, context-aware LinkedIn replies.
- Reduced user response time by up to 50%**, enhancing communication efficiency.
- Built using React.js, TypeScript, WXT Framework, and Tailwind CSS** for a robust and seamless experience.
- Integrated directly into LinkedIn's messaging interface** for smooth user interaction.

Recipe Finder

https://recipe-finder-red.vercel.app/

A web app to discover and explore recipes based on ingredients, cuisines, or meal types.

- Built a web app to discover and explore recipes based on ingredients using **React.js**, **TypeScript**, and **Tailwind CSS**.
- Integrated **Spoonacular API** for data retrieval, ensuring seamless functionality.
- Designed a responsive UI ensuring optimal usability across different devices.

## EDUCATION

Bachelor's degree in Aeronautical Engineering

Annasaheb Dange College of Engineering and Technology

07/2019 - 04/2022   Ashta, Sangali

GPA

9.81 / 10

Diploma in Mechanical Engineering

Government Polytechnic

07/2016 - 05/2019   Solapur

%

89 / 100

## SKILLS

Programming and Scripting Languages

TypeScript

JavaScript

HTML

CSS

Java

Libraries and Frameworks

React.js

Node.js

Express

Tailwind CSS

Redux/Redux-Toolkit

REST API

Database

Oracle DB

MongoDB

PostgreSQL

Database languages

SQL

NoSQL

PL-SQL

Operating Systems

Unix

Windows

Other Tools and Technologies

AWS

Git

GitHub

GitLab

VS Code

NPM

JIRA

Postman

Google Gemini

OpenAI (Chat GPT)

## CORE COMPETENCIES

Frontend Development

Software Development

Generative AI

SDLC

Debugging

Web Application

Build Tools

Testing

Code Optimization

Cross-Browser Compatibility

Requirement Analysis

Defect Management

Accessibility Standards

Agile Methodologies

Quality Assurance

Technical Support

Cross Functional Collaboration

## CERTIFICATION

React JS

Infosys Ltd.

## LANGUAGES

English

Hindi

Marathi
